Draft Talking Points for Briefing with RA.docx

Hi Mike,

Here are the draft talking points for the meeting with Jared on CA UIC, attached. I can make any changes tomorrow, but I will be in Sacramento on Monday. If you want something without all these detailed notes to hand out as an agenda, that's easy to do. Just let me know.

Thanks, Michele

Subject: Moving UIC update

I am looking at moving the UIC update so that we can benefit from the Monday meeting results and possibly have more program staff present..will probably land on Tuesday. Hope this is not too disruptive
